CERTIFICATE OF FLAME RETARDANCY

Rose Brand is in business in New York, New York, with headquarters in Secaucus, New Jersey, and additional offices in Sun Valley, California, and in Orlando, Florida.

The carpet described below meets the minimum requirements of flame resistance established by the following tests:

CPSC FF 1-70 (pill or small flame spread test) (a/k/a: ASTM D2859)

Class II in the Radiant Panel Test (ASTM E-648 / NFPA 253)

Made with non-combustible elements, this **IFR** material is inherently and permanently flame resistant for the life of the carpet, without the addition of flame retardant chemicals. This flame resistance will **NOT** wash out. Due note, however, that accumulations of dust, dirt and oils will diminish the flame resistance performance of the material.

Owner/Purchaser Name: to be determined

Purchaser PO #: pending

Purchaser Project/Event Name: to be determined

Rose Brand Order: pending

Sales Order Date: to be determined

Fabric Used: Carpet
