

4' x 3'

7' x 6'

Stretch shape ornaments designed to evoke traditional glass baubles make great quick and easy décor. These 6 pointed shapes present 4 surfaces for lighting, gobos or custom digital printing.

Note: Given the nature of fabrics with elastic properties, there will always be minor variations in constructed stretch shapes. Our drawings are visual representations to assist with your designs and concepts: the drawings should not, however, be used for engineering purposes.
