

Leaves & Vines

Leaves come in two sizes and are double-sided with light green on one side and dark green on the other side. Either side is usable.

The leaves have an attachment loop on the pointed end.

You can use the butterfly twist clip to attach a leaf on any loop of any flora series stretch shape or on a vine.

Vines have an attachment loop every 12' along the 25' length. Use to hang as many flora shapes or leaves as you wish.
