

DOLCE™

A long life, gently cushioned floor for stage, rehearsal rooms, expo or dance - anywhere durability and comfort are key requirements.

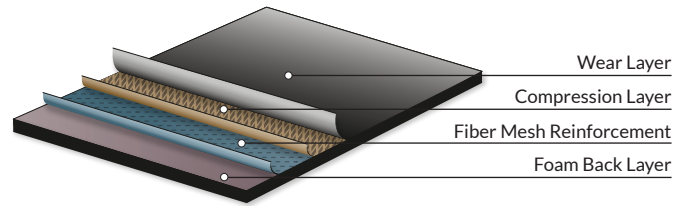

Gentle cushioning is the trademark of Dolce floors. Combined with its hard wearing surface, this makes Dolce the right choice where extra protection and long life are the primary concerns. It can be permanently installed and has a light embossed surface texture for additional slip resistance. The overall thickness is 2.5mm constructed of a 0.7mm wear layer plus glass-fiber reinforcement layer and cushioning. Multi-purpose venues, studios and deck covers will all benefit from installing Dolce floors.

FEATURES/BENEFITS:

- Cushioned under layer for comfort and slip control
- Flexible, lay flat, easy installation
- Subtle texture and slight cushioning
- Permanent or temporary installation

RECOMMENDED FOR:

- Rehearsal halls
- Stages
- Dance studios
- Multi-purpose rooms
