Hoop Columns are available in 24" or 36" diameter and are constructed out of **IFR** Tendo. Available in white or Tendo colors. Built with our custom constructed hub at the top and fabric loops at the bottom, they can be suspended from above or used with Rose Brand Pipe and Base. Collapsible for compact UPS/FedEx Shipping.

Note: Given the nature of fabrics with elastic properties, there will always be minor variations in constructed stretch shapes. Our drawings are visual representations to assist with your designs and concepts: the drawings should not, however, be used for engineering purposes.
