## iClean® PRO The ALL-IN-ONE Solution

SDS Rating = 0-0-0

### RELIABLE. POWERFUL. EFFECTIVE.

The new **Tersano iClean® PRO** turns tap water into a cleaner, sanitizer, and deodorizer that kills 99.999% of germs\*. Stronger than bleach, yet toxic and residue free, Stabilized Aqueous Ozone (SAO®) is tough on dirt and germs - and safe for people & planet.

When using the iClean PRO and cartridges, cold tap water is passed through diamond coated electrodes to create SAO instantly and on-demand.

*\*COVID-19: When used as directed, SAO® kills >99.99% of MHV-3, the globally approved testing surrogate for SARS-Cov-2.*

- ✓ **Ideal for any COVID-19 Response Program**
- ✓ **Powerful 2.5 ppm SAO concentration easily kills 99.999% of germs – then reverts back to water and oxygen.**
- ✓ **Industrial-grade housing is ideal for cleaning in the toughest environments.**
